# PREPARE TO SPEAK UP!

**1 Peter 3:15, "But sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear."**

*In a world that is outspoken about their opinions, feelings and their sinful lifestyle, it is such an important time for the children of God to be prepared to speak up more than ever before. More specifically, it is important to be bold and speak for ourselves. Just like prayer, our study of the scripture should not be reserved for services and when we are in church. If our relationship with God is personal, then our time with studying the Word of God must be personal.*

As a young person blessed to be involved in youth ministry for a few years now, I can respectfully say that one of the main reasons as young people we fear to speak up is being unprepared. While the lack of a relationship with God and prayer is definitely the most common reason, another often unspoken reason is the lack of knowledge in the Word of God (Hosea 4:6).

As young people, we are good at remembering stats of our favorite sports athletes, others are excellent at retaining the latest gossips, the periodic table, song lyrics, chord charts, and so much more, yet we express difficulty in memorizing God's Word. The biggest issue is not ability; it is definitely appetite. When Jesus was tempted by the devil, He responded with the Word.

Are we hungry enough to study God's Word? That is why Bible Quizzing and Scripture memorization are so vital for this generation. Healthy competition is needed and serves as a motivator to be better at studying the Word.

Competition is not the only thing that students learn from Bible Quizzing. They learn about faithfulness and accountability in the Word. Students get to learn about sacrifice and teamwork. Although grace is meant to be given when mistakes are made, the thoroughness of the scriptures is important. If schools demand our students to be sharp and accurate with their knowledge, we can encourage them to do the same with the Bible.

Our world is bold in living and exposing their lifestyle. We must be bold and brave for Jesus. We must prepare our young people for the world that we live in so they are ready to give an answer to anyone who questions them. Who is Jesus? Why do you believe in One God? Why do you baptize in the name of Jesus? Why do we not swear?

We must first learn the Word of God for ourselves so that we can grow our relationship with God. Secondly, we prepare to share His Word with the world.
